

BLACKHEATH
1858 RUGBY

Become part of our family
Partner with the oldest open Rugby Club in the World.

Founded in 1858, Blackheath FC is known in every corner of the globe as (the) CLUB.
We started, others followed and now you have the opportunity to be part of our heritage, and our future.

Our Legacy

The club was founded as "Blackheath Football Club" in **1858** by old boys of Blackheath Proprietary School who played a "carrying" game of football made popular by Rugby School.

When the old boys played against the current pupils, supporters would shout for either "**Club**" or "**School**" accordingly. This is why to this day supporters of BFC shout for "**Club**", not for "Blackheath".

Today, over **1,000** members and fans from the across world of rugby support, play and cheer for **Club**.

Be Part of Our Family

Blackheath has a talented and passionate semi professional 1st XV, a Club XV (2sa men's third team (Bandits) all playing in league rugby but we also have over **500 youth members**, a growing girls' section and two women's teams.

Alongside our men's teams, they all play competitive rugby in various county and national leagues.

Why partner with us?

Sponsorship is a great way to increase your presence and competitiveness within your business' market. If your target audience relates to the party that you choose to sponsor, it has the potential to improve your company's image and status.

heritage

pride

team-work

Integrity

passion

Sponsorship also provides the opportunity to position your brand in front of a new market of potential customers, exposing a variety of new marketing opportunities. By partnering with us your brand will be associated with ours and our core values of:

Partnerships can:

- ✓ raise brand awareness and create preference
- ✓ create positive PR and raise awareness of both organisations
- ✓ provide attractive content for a range of products and services
- ✓ build brand positioning through associative imagery
- ✓ support a marketing campaign
- ✓ deliver on corporate and social responsibility commitments
- ✓ create internal emotional commitment to the brand
- ✓ act as corporate hospitality that promotes good relations with clients.

Player and Position Partnership

Our 1st XV is selected from a squad of around 40 passionate, dedicated and skilled players from all over the UK and beyond.

You may choose to support an individual or a particular position or both.

Your name/logo will be added to the website alongside your team member or position in the e-programme for each match

Grass Roots & Young Adult

We have an increasing number of junior players from 6 to 18 playing at Blackheath and we need continuous financial support their activities and make rugby accessible to all.

Your company could help us achieve this by supporting coaches, kit, training equipment, travelling to matches and membership. Commit to a £50 per month direct debit or £600 one season payment to help young people develop skills off and on the pitch that will be invaluable in their formative years.

In exchange your name (or company name) will be included on our sponsorship web page specifically stating that you are supporting the young people in our community and we will also share your social media stories to our committed fan base.

After the Pandemic we decided that we should support young adults who may be in their 1st university year or their first job. Many young people struggled with their mental health during the pandemic lockdowns so we took away any financial burden by giving free membership to those aged 18-22 enabling them to come to Club for training as soon as it was allowed and to socialise with their peer group. We fund this entirely but would love a partner to have this initiative branded with their company details for the cost of 20 memberships , £4700

B2B

In all business structures, there are ways for us to partner with each other.

If you market a product that could be of benefit to our business, why not talk to us.

We are a high profile business with global supporters and members from all business sectors and multiple demographics.
